## Farewell Katy Humm

Designing and sewing Christmas bags has been a popular activity at Jenny's Place

Katy Humm came to Jenny's Place in February 2014 with several years' experience as a support worker, a completed Social Science degree and part way through an Associate Degree in Leisure and Health (Diversional Therapy) qualification. Katy has now finished that degree and has secured a role working as a diversional therapist with people with mental health diagnoses. During her time with Jenny's Place Katy has made a wonderful contribution to the clients and Seton Villa residents. Katy has been a professional and reliable member of staff who has designed and successfully introduced new activities for the clients. Thank you Katy for all of your good work. We wish Katy every success in the future.

## The Story of Christmas according to Luke

### Luke 2:15-21

Christmas Party at Jenny's Place  
(Above and Below).

When the angels had left them and gone into heaven, the shepherds said to one another, "Let us go now to Bethlehem and see this thing that has taken place, which the Lord has made known to us."

So they went with haste and found Mary and Joseph, and the child lying in the manger.

When they saw this, they made known what had been told them about this child; and all who heard it were amazed at what the shepherds told them.

But Mary treasured all these words and pondered them in her heart. The shepherds returned, glorifying and praising God for all they had heard and seen, as it had been told them.

After eight days had passed, it was time to circumcise the child; and he was called Jesus, the name given by the angel before he was conceived in the womb.
